# THE ALICE PROJECT

a gig theatre journey

For the curious. And the curiouser.

★★★★ "An exceptional company" *The Guardian*

# Who are you?

## asks the Caterpillar.

### Alice is not sure...

Acclaimed performance company Platform 4 take you on a sonic journey through the Wonderland of Alice, weaving together original music, interviews with inhabitants of the New Forest, Lewis Carroll's text and voices from 40 contemporary Alices!

This is a riff, a homage and a fascinating audio adventure down the rabbit hole, with a four-piece band of multi-instrumentalist performers.

Expect twisting melodies, smiling cats, percussive teacups and surreal storytelling...

Aimed at adults and young people, it's not the normal Alice family show!
